FAMILY TIME NEWS

LOGOS

Kitchen Time at LOGOS

The kitchen each week is happy to provide a good meal for Logos and we have fun doing it.

One of the new helpers this year is Brian Goodman. He likes to eat and is fun to have in the kitchen. Levi and Lucas like to come to the door to say "Hi Dad".

One week when Mark Flenner was grilling for us, both of our propane tanks were empty and he ran home to get his tank so he could finish the hamburgers for You're a Good Man, Charlie Brown. We could change that to You're a Good Man, Mark Flenner.

Sheila Mannweiler

Table Talk

It has been a fun, fast paced start to the LOGOS year. With the exception of Tom (Mr. Kotal), we are a table of girls. Besides Penny (Mrs. Kotal), we have Devon, Alex, Jordan, Christina, and Breondrea. During the month of October, we have enjoyed scrumptious food like cheesy potatoes, rice krispie treats and brownies (our favorite). We had Baseball Night, Tailgating Night, Fire Prevention Night, and Trunk or Treat night. While we didn't win the marshmallow baseball game on baseball night, we had more fun than watching a preschool T-ball game. We enjoyed eating dinner with our fireman, on Fire Prevention Night, but were disappointed when the firemen got called to a fire before we could examine their truck. Then we discovered our talents are also not in hanging spoons from our noses, our back-up activity after the firemen left. (Those Goodman kids sure found their talent though!) For Tailgating Night we had dinner in the back of the Kotal's station wagon. Since it was a pretty cold evening we were glad to eat fast and go back in for football tag. Once again, not a particular talent of ours, but it was good exercise. For Trunk or Treat we ate fast to get to the Main Event – the treats. Mrs. Burbes had frozen hands in the punch, she just has to figure out how to keep the fingers on a bit longer. LOGOS has been great, great food, great fun, and great people!

The Kotal table

Thank you to all the
LOGOS children
and youth,
First Church volun-
teers,
and
LOGOS Ministry
for a GREAT start
to the
2008-2009 year.

Greeter News

I always look forward to Wednesday at 4:00 when I have the opportunity to greet and be greeted by all our LOGOS children. What a great way to start off a Wednesday evening.

Pat Mahr

Table Talk

The Harmison table for family time is truly blessed this year with Levi Goodman, Brianna Hill, and Malone Moretti. We've already learned . . . they come to us filled with words about their day at school and their evening at LOGOS and they each have their own personal preferences at meal time.

Won't say who but . . . if the meal includes salad and you're not fast you won't get tomatoes because one of our children is overly fond of tomatoes. We thank God for these wonderful young people in our lives!

The Harmison table

Dave, Pat, Dayton, Erica and I are thrilled to have Jillian Daley at their table this year. We all welcome her to our LOGOS family.

The Mahr Table

LOGOS Table Talk

We have had a great time at our table getting to know one another. At our table we have James, who is in 1st grade; Tucker, who is in 3rd grade; and Bri, who is in 6th grade.

We had a blast cup stomping, but we weren't as loud as Joe :). Backwards night was cool because we got dessert first (yum brownies). We did a community service project by making Linus blankets.

Are You Smarter Than a 5th Grader? We are!!! Until next time . . . Show others God's love.

Worship Skills

Rec Time

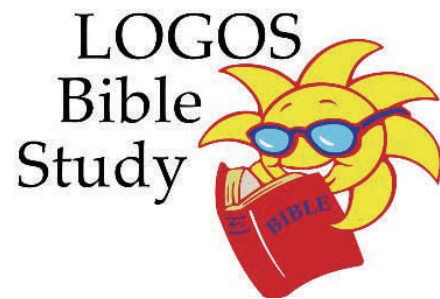

First, Second & Third Grade Recreation Time

First through third grade recreation includes Jillian Daly, Tucker Clark, Levi and Lucas Goodman, and James and Christina Huckile. Once again we are so very fortunate to have Dustin Goodman helping us with recreation!

Harold Harmison

Bible Study

Sixth Grade Bible Study

Sixth grade bible study is a much smaller class than we had last year . . . this year there are only three students. But . . . they challenge us at every session. These young people want to hear the story of Jesus and for that we give thanks.

Ashley Lofland & Harold Harmison

Bible Study

1st & 2nd Grade Bible Study

This year we have combined the two grades and it has been a success. Christina Clark and I are co-teaching and are also sharing the nursery duties during meal time.

We have spent the first few weeks getting to know each other and have learned that we are all children of God and that God loves us. Some examples of the topics we have covered are: Who are the members of our family at home and who our friends are, along with that we have also learned about our Church family.

Christina helped the children make snack bags and thank you cards for Pastor Dave, Theresa and Nancy. We took them on a tour of the church also. The year is off to a terrific start and we look forward to the many weeks we will spend and grow in Christ together. Come by and see our room with our self portraits!!! We love visitors.

Debbie and Christina

4th Grade LOGOS Bible Study

September and October Highlights

Our 4th Grade Bible Study theme is WORSHIP. We learned that prayer is having a conversation with God and that we can pray anywhere about anything and God hears us.

We explored our church service and discovered it follows an order that includes praise, confession, proclamation, petition and dedication.

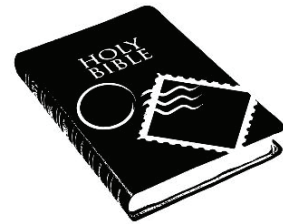

We explored the church to see where the Bibles were and discussed how they were used. We illustrated each of these worship parts and put them up for display in the hallway near the pop machine.

We discussed giving praise and thanksgiving to God and giving compliments to each other.

We talked about how the pastor selects the scripture lesson for the sermon. We learned about the types of prayer, Adoration ("You are awesome, God!", Confession ("I'm sorry God for..."), Thanksgiving ("Thank you God for..", and Supplication (praying for our selves and others "Help me God with....").

We also discussed what gifts/talents God has given to us. A poster was made listing the gifts that student wanted to give to God. Teresa took the student's photo which was attached to her poster. Her poster is also on display.

*The Teacher is:
Pastor Dave Taylor with
Dustin Goodman as helper.*
